- int()
- integer()
- parseInt()
- getInt()

✓ Python was developed in the year: 1

- (●) 1991
- ( ) 1992
- ( ) 1990
- ( ) 1995

✗ which request status code implies success? 1

- ( ) 1xx
- ( ) 2xx
- (●) 3xx
- ( ) 4xx

Correct answer

- (●) 2xx

✓ for creating GUI which library can be used in Python 1

- (●) tkinter
- ( ) kinter
- ( ) swings
- ( ) html

✓ Which of the following is to be used for selection in Python? 1

- ( ) if then end if
- (●) if else
- ( ) if then
- ( ) if end if

✓ which request status code implies client error 1

- 2xx
- 4xx
- 3xx
- 5xx

✓ 2 * 3 + 5 will evaluate to 1

- 16
- 11
- 10
- 30

✓ Which of the following is non-editable by the user? 1/1

- (•) Label
- ( ) Entry
- ( ) EditText
- ( ) JLabel

✓ Which of the following is editable by the user? 1/1

- ( ) Button
- ( ) Label
- (•) Entry
- ( ) EditText
